Ephesians 4:11-13

¹¹ And he gave some, apostles; and some, prophets; and some, evangelists; and some, pastors and teachers;

¹² For the perfecting of the saints, for the work of the ministry, for the edifying of the body of Christ:

¹³ Till we all come in the unity of the faith, and of the knowledge of the Son of God, unto a perfect man, unto the measure of the stature of the fullness of Christ:...

About the Conference Director:

Mary Bernice Morris

M.S. Educational Psychology

B.A. Developmental Psychology

Ms. Morris is a published author and has been teaching in churches for over 15 years. She has assisted at Rhema Bible Church (RHEMA) with the Living Beyond Divorce class. She has also ministered at and successfully coordinated numerous projects and events as a class member of one of the singles' Sunday School classes at RHEMA.

The Vision

A citywide Christian singles' conference to minister to the Christian single believers in Tulsa and its surrounding areas and to give an opportunity for many Christian singles to use their talents and to be a blessing to the body of Christ.

The Conference Coordination Team

The conference team consists of singles from various churches in Tulsa. These Christian single individuals are bringing their ideas and experience together to create a fellowship opportunity as well as a meeting that will encourage and inspire Single Christians in their walk with Jesus. "Igniting the Fire in You!" is the theme of the conference. The conference team is praying that God's plan for this conference will be fulfilled. We ask that you would pray along with us and share this information with your ministry and encourage Christian single adults that you know to attend the conference.

Tulsa is a perfect venue for this conference. Many of the churches in the area do not currently have a dedicated Singles' ministry. God has not neglected any of His children, married or unmarried. We are excited for the opportunity to minister to and encourage this group in the body of Christ. I have learned firsthand that many of the issues that the Single Christian in this era is facing need to be addressed directly with the Word and the Spirit of God without condemnation but with love and God's anointing.

There are new Christians "born again" every day, and I believe that the constant Words for the single Christian, among other things, are to not be conformed to this world and that God's love never fails.
